## Product

(pictures only for illustration – original may differ)

The RAPTOR-GAMING LH1 is the new entry class for Gaming-Headsets of Raptor Gaming Technology. The gear is made in a light weighted and comfortable design. With its excellent stereo sound and solid bass it is the perfect choice for Multi-Gaming. You just hear faster with it!

The RAPTOR-GAMING LH1 distinguishes itself with an extremely light weight and a very comfortable wearing comfort. The ears are completely surrounded by the soft ear cushions.

In order to make sure that the Headset reaches the next LAN safely, you can fold both of the earlaps inwardly.
